

Limit-Cruisers (#3 DIY)

Instruction piece for two or more participants

Find companions

Download the sound files below to your player (*1. Soundcheck, 2. Decoy, 3. New Individualism*)

Find a space and time that interests you.

It could be a park, a Laundromat, an art museum, a mall, an enormous room, or in total darkness.

In the early morning, during nighttime, when it's appropriate, or when it isn't.

Meet

Bring your players and headphones and meet at the agreed place and time.

Sound check

Choose track 1 (*Soundcheck*). Count to three and on three, press "PLAY".

Get synced

Choose one track each (*Decoy* or *New Individualism*). Count to three and on three, press "PLAY".

You are now in sync (if not, do it again).
